An interview with **Beach Boys Al Jardine** on spirituality, his meeting with the **Maharishi** and **The Beatles** in India, is in the making. In fact, there is a long list of interesting people and issues, that we want to cover.

The documentary made by the norwegian filmmaker Ole Bernmt Frøshaug: **THUNDER OPEN MIND** with Lars in Israel talking on **The Law of Light** and **SHM – The Divine Light** is planned for release in August/September.
