

Development Circle

The Purpose of participating in a development circle is to increase the strength of personal spiritual gifts; clairsentience, clairaudience, and clairvoyance. A development circle encourages sensitivity to spiritual healing grace, the ability to facilitate long distance healing, and to perceive with accuracy divine messages for the self and others.

This development circle will meet for 8 weeks from 3:30 to 4:45 on Friday afternoons. Consistent participation is required, and is important for personal spiritual growth. There will be mystical meditations, and open discussions. The fee is \$50.00 per session. This circle will begin March 18, 2011.
