► H.I. Seminar at Harry Edwards Healing Sanctuary

Darren Symmons, our Events Organiser (South), successfully organised his first seminar at the Harry Edwards Healing Sanctuary near Guildford. We thank him for all his hard work and support.

The day started in the beautiful gardens of Burrows Lea with a tribute to Dennis Fare. Doreen donated a bench seat in his memory as Dennis was a longstanding friend of Harry Edwards and Trustee of the Sanctuary for approximately 40 years. After the ribbon was cut by Doreen, Alexa Dymond presented a bouquet of flowers on behalf of all H.I. members.

We had a fascinating talk and picture slides from Toni Jode on the life and work of Harry Edwards.

Our afternoon keynote speaker, Dr Lyndall Demere—who we thank very much for coming all the way from Carmel, California—gave excellent meditations in The Sanctuary which captivated the delegates. The venue was very special and members had meaningful experiences.

Afterwards, Maggie Radford gave a short demonstration of mediumship and Eve Posford was our Presenter for the day.

Our grateful thanks to all who assisted in making this a day to remember. Much gratitude to Doreen Fare, Marion Peters and Nan Paxton for their financial contribution which enabled the seminar to break even.

Members requested that this year's seminar be held at a venue in Bristol and we hope you will be able to attend. Members' support is much needed in upholding H.I.'s aims and objectives. Contact Darren Symmons for further information: Tel: 02392 452384 or email: darren.symmons@yahoo.co.uk

I consider being at The Sanctuary a special privilege. I first heard about Harry Edwards and his Spiritual Healing practice from Dennis and Doreen Fare. They were so kind to attend a Healing Circle that I lead every Friday evening at the community Sunset Center, for those living or vacationing in Carmel, CA. This was 1990. I invited Doreen and Dennis to my home, and when they arrived, Denis gave me a gift of my first book by Harry Edwards. We became good friends, corresponding and visiting over all of these years.

Dennis invited me to become a Full Healer Member of the World Federation of Healing, and to become a Tutor. I prepared all of the requirements, and sent them to WFH. In 1991 my application was accepted and I was filled with joy. Since then I have studied the writings of Harry Edwards, and in 1993, I began a meditation group that meets every Tuesday evening, specifically to share spiritual time with Harry Edwards and the spirit healers helping him. Our group is 20 years old! I was a member of WFH from 1991 to 2009 when it dissolved.

My first visit to the Sanctuary was a remarkable event for me. I arrived in London, rented a car and drove to Shere. I wanted to be in Harry Edwards' Sanctuary. I was willing to face all kinds of challenges to make this happen; driving on one lane roads in the dark; on the wrong side of the car, and road, with a map that I had drawn myself, copying the little map on the last page of the Sanctuary web site. Now I laugh, then, I was saying to Harry Edwards, "please help me in so many immediate ways." I received the help that I needed, and found the Hurtwood Inn, Peaslake. It was miraculous.

Each time I enter the Sanctuary, I am grateful to Harry Edwards for his leadership, and for setting up the foundation that preserves this Sanctuary for Healers and visitors. We receive guidance from a Master Spiritual Healer in this Sanctuary.

On the 6 October, 2012 we gathered to honor Dennis Fare, his commitment and service to Spiritual Healing, and for his sponsorship of WFH and Healers International. The members of several Spiritual Healing Affiliations were present to celebrate Dennis and Doreen Fare, and to enjoy the new commemorative teak bench in the garden of the Sanctuary. Alexa Dymond gave a beautiful bouquet of flowers to Doreen as she cut the ribbon, opening the bench. A circle of honor was formed by the love and appreciation coming from all of our hearts, and blessed by Dennis and Harry who, I am sure, were also present in spirit.

In the afternoon we gathered in Harry Edwards Sanctuary, to experience meditation, and the spiritually healing atmosphere of this historic Healing Chapel. Meditation quiets the self, promoting attunement, a connection with Spirit that initiates an energetic healing shift within the self. One's ears and eyes open in a new way. Each of us allowed this attunement to deepen within ourselves; creating

a sensitivity to spirit recognition, and an opening to the spiritual healing process. We could feel the encouragement, tangibly, of Harry Edwards and Dennis Fare, for our individual personal journeys as healers.

This Sanctuary promotes personal trust in and acceptance of spiritual attunement and healing. Our meditation brought visual and tactile experiences of individual healing gifts; their origins, and applications. Some were startled by the clarity of visions from the past. Satisfaction that is established by true connection and real experiences of spiritual healing, was in our hearts. And, gratitude for the mindfulness and open hearted love of one of our greatest teachers, Harry Edwards.

I thank the members of Healing International for planning this special day. I thank Alexa Dymond for her continued leadership as the Director of Healers International. I also want to thank the members of several spiritual healing organizations for being present, and sharing so generously of your healing gifts and personal stories.

Redcar Healer Training Group

Congratulations to Jakkie, Sigi, George and Jan, on becoming fully qualified practising healers. It has been a pleasure to work with you all.

For anyone who is thinking of becoming a healer or healer trainer, I can only encourage you to go for it. There is a greater force in the Universe that works with us all, but when healing is being given it is the source of all that is good.

Healing is an oasis in the desert for thirsty minds

by Margaret Clark

Love has no desire but to fulfil itself. To melt and be like a running brook that sings its melody to the night. To wake at dawn with a winged heart and give thanks for another day of loving.
